**Take a Visual Tour**

Ocean Club at Turtlemound is one of the last condos on the non-driving beach. A small complex, guests will enjoy a quite beach getaway. Guests can also enjoy meals while watch the waves roll in off their own private balcony. This condo is on stilts and does not have a elevator. It is adjacent to the beach due to a small access road leading to the county park right next door. There is a small pool and club house.
